

DX Rider

2018 Kawasaki Z650 2018 ZDMAALVW5MB005967

If you're looking to learn to ride the bike is perfect for you. With a full custom stunt cage and sub frame you'll rest easy knowing your bike is protected if you lay it down while practicing. On the other hand if you're looking to get into the stunt riding world this is a great option as well. The low center of gravity makes the bike extremely easy to handle at both high speed and low speed. Guaranteed you'll get off this motorcycle with a smile every time. Can powder coat the stunt cage whatever color you'd like for an added charge. Low miles, garage kept, never down.
