

DX Rider

2021 Black Series HQ21 Customized wrap. Loaded with options.

Rear bedroom to the U-shaped lounge up front. You can easily prepare meals each day on the three-burner range or use the microwave oven. The separate toilet and separate private shower will allow two people to get ready at once, and you will find plenty of storage for all your belongings. The Black Series Camper travel trailer and toy hauler were specifically designed to go on diverse and expansive terrain! These trailers have high quality and intense durability so that you can have great luxury while away from home. You will find solar panels to use when you are off-grid, and there is a 12V/120V electrical system and 100AH batteries for power. You will be able to access hot water with the 6-gallon Atwood gas hot water heater, and the independent suspension is exceptionally smooth for traveling.
