2022 Energica Eva Ribelle

If you want a true electric e-fighter, aggressive with an urban mojo, or an assertive-yet-upright riding position instead of the typical track day crouch, choose the EVA Ribelle. EVA Ribelle easily transforms into a long-distance sport touring bike with the simple addition of side panniers, windshield and tank bag. Eva Ribelle embodies latest electric technology, sustainability and the prestige of made in Italy. The EMCE engine, standard on Energica Eva Ribelle , provides daunting acceleration from 0 to 60 mph in 2.8 sec. and a maximum speed limited to 125 mph. Thanks to the 21.5 kWh battery the Eva Ribelle like all Energica motorcycles, also enjoys the longest range of any electric motorcycle, particularly at higher speeds.
